

# Day of the Week Badges

Visitor Badges That Keep Your Facility Clean and Secure.

## The Challenge: Improper Disposal of Visitor Badges

Adhesive badges can sometimes be disposed of improperly (stuck on walls, doors, equipment). This can create extra cleanup and make facilities look untidy.

## The Solution: Threshold Day of the Week Badges

**Attaches with a Clip** – making it easy to read and ensuring staff can quickly confirm visitor is authorized.

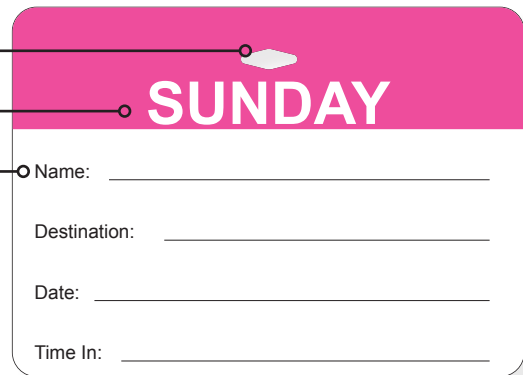

**Color-Coded by Day** – Ensures badges are valid only for the current day, strengthening security.

**Write-On Fields** – Simple sign-in for visitors.

**Cleaner for Facilities** – No more sticky residue, no more mess.

## Why it works:

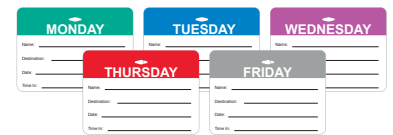

- **Improves security** with daily color rotation.
- Keeps your facility **professional and welcoming**.
- **Supports cleanliness** standards by eliminating adhesive waste
