

Visitor Badges for a Clean Environment

Badge solutions that keep your facility clean and secure.

Why Choose Non-Adhesive Badges?

- Adhesive badges can be disposed of improperly (stuck on walls, doors, etc.) creating extra cleanup and an untidy appearance.
- **Security:** Color-coded designs make visitors easy to spot and confirm they are approved to be there.
- **Professional Appearance:** Badges clip on for easy visibility.
- **Flexible Options:** Works with your existing sign-in process and systems.
